Do not let Senate Bill/Governor's Bill 16 pass. Once again, you are focusing on law-abiding gun owners and this time, legitimate business owners (FFLs) who follow the law. STOP. I could support half of this bill, the half that holds criminals accountable, but Lamont "too many damn guns" went too far as expected and spewed hateful laws against gun owners, makers and sellers who by and large aren't responsible for crime.

I OPPOSE SB/GB 16!!!!!!
